

GIVING

Giving is an Act of Worship

Everything we have comes from God. When we give, we acknowledge His generosity toward us and partner together in the work He is doing through Northgate Community Church.

Your giving helps us proclaim the gospel, disciple people, care for those in need, support local and overseas mission, invest in children and young people, and serve our community.

Thank you for your faithful partnership in God's work.

Ways to Give

Internet Banking or Automatic Payment

The easiest and most convenient way to give is by internet banking or automatic payment.

Account Name: Northgate Community Church

Account Number: 38-9005-0653538-00

When setting up your payment, please use:

- Particulars: Your Name
- Reference: TITHE (or another designation if giving to a specific project)

If you're giving regularly, our preference is for monthly automatic payments where possible, as this helps minimise administration.

If you would like a tithing number, please contact the office.

Sunday Giving

An offering box is available at the entrance to the auditorium each Sunday for cash donations. Donations may also be brought to the church office during office hours.

Building Extension Giving

As God continues to grow the ministry of Northgate Community Church, we are excited to be expanding our facilities to better serve future generations and create more opportunities to share the hope of Jesus with our community.

If you would like to invest in this vision, you are welcome to contribute specifically to the Building Extension Project by using the same bank account details above and including the following reference when making your payment:

Reference: BUILDING

Every gift, large or small, helps us move closer to providing a facility that will serve our church and our community for many years to come. Thank you for partnering with us in this exciting season.

Donation Receipts

Northgate Community Church is a registered donee organisation.

Donation receipts are issued after the end of each tax year, enabling eligible donors to claim a donation tax credit from Inland Revenue.

To ensure your giving is correctly recorded, please use the name by which the church knows you when making electronic payments.

Donation receipts are emailed to donors between April and May each year.

To ensure you receive your receipt, please provide your contact details by completing the Northgate Digital Card if you haven't already done so.

You can fill it out here: <https://www.northgatecc.org.nz/connecting-with-us/>

Faithful Stewardship

We are committed to managing every gift with integrity and care. Our finances are overseen by the church leadership, independently reviewed, and reported annually in accordance with our obligations as a registered New Zealand charity. We believe every dollar given should be used wisely to advance God's Kingdom.

Legacy Giving

Many people choose to leave a gift to Northgate Community Church in their will as a way of investing in future generations. If you would like to discuss legacy giving, please contact the church office in confidence.
